

FREE TRAINING VIDEOS FOR UCSB STAFF

BECOME A PROGRAMMER

What do you want to learn today?
Lynda.com offers over 5,000 training
videos, with apps for your computer,
mobile device, and TV.

SUGGESTED FOR APRIL 2017

Learning Path Overview

Duration 18 hours

Programmers are in higher demand than ever before. Learn the essential skills to become a successful software engineer, and understand best practices that are critical to the task of coding, no matter which language you choose.

This Learning Path consists of seven courses and exercises which allow you to connect programming theory to practice in real-life scenarios. Upon completion, you'll receive a certificate of achievement to add to your LinkedIn profile and personnel file.
