Lead Like a Boss
Duration 46 min.

Want to get ahead? Inspire others? Nurture the next gen? Become the leader of the pack? Learn how to not just survive but thrive in meetings, navigate politics at work, balance servant leadership with self-care, build a rapport with colleagues, understand why smart isn’t always superior … and more!

Presenting as a Team
Duration 58 min. 36 sec.

Strong team presentations are developed and delivered together. While “divide and conquer” seems like an efficient approach, it often isn’t effective. This course walks through the crucial aspects of presenting as a team.

Option B: Building Resilience
Duration 20 min 46 sec.

Dodging adversity is often not a choice. Encountering a devastating event—the gut-wrenching kind that zaps away joy—is an inevitability of life. Learn how to build resilience in the face of such setback with practical steps you can take to reimagine and rebuild your life when your first choice—your Option A—is no longer on the table, and you’re faced with the task of making the absolute best of Option B.

Event Planning Foundations
Duration 50 min. 9 sec.

This course will give you tips, tricks, and techniques to make your next event a success—whether it’s your first or fifty-first.
