Supervisory Certificate Program (SCP)

The Supervisory Certificate Program is designed to give staff professional development training in the key areas of supervisory and leadership competencies, policies and procedures and people skills. Courses can be taken as stand-alone courses or to complete the certificate program.

Due to COVID-19, we are currently only advertising April Classes. An updated schedule will be sent out once the instruction method has been confirmed for May and June classes (Zoom or in-person).

To register please visit the UC Learning Center:
https://www.learningcenter.ucsb.edu/

For more information contact: x 3482 or x 3168 or email: Tori.Stoeckinger@hr.ucsb.edu

Supervisory Certificate Program (SCP) Standards

- Pre-registration is required. Due to the high demand and limited seating, we request that you cancel at least 48 hours before a scheduled class to avoid course fees.
- Individuals on a waitlist will be notified by HR of space availability based on cancellations.
- In accordance with our waitlist standard, "swapping" a registered participant with a non-registered participant, is not permitted.
- Walk-ins (including individuals who remain on the waitlist) cannot be accommodated.
- Courses that span over multiple days require attendance at all sessions for course credit.
- Arrival more than 15 minutes late may result in no credit for the course, and the course fee will apply.
LEADERSHIP SKILLS
Thursday, April 2nd, 8:30-4:00pm, (30 min. lunch break)
Offered Via Zoom, Enroll by March 26th, Course Code: 2005 (SCP) $70

There is a big difference between managing people and truly leading people. This course helps participants define and learn how to develop the skills and mindset to become a more powerful and influential leader. You will learn how leaders develop and use power, learn about different leadership styles and characteristics of great leaders as well as how to be an ethical leader including how to influence those around you.

BUILDING STRENGTH THROUGH DIVERSITY
Tuesday, April 28th, 8:30-4:00pm, (30 min lunch break)
Offered Via Zoom, Enroll by April 21st, Course Code: 2002 (SCP) $70

Valuing diversity means being aware of, sensitive to, and appreciative of differences in: age, gender, race, culture, physical abilities, sexual orientation and lifestyles. Participants use each others differences to make a positive impact and gain a better understanding of one’s own attitudes and their impact on others.

Soft skills are the essential interpersonal skills that make or break our ability to get things done in our current jobs and take on new opportunities ahead. Topping this year’s trending skills list are creativity, collaboration, persuasion, and emotional intelligence—all skills that demonstrate how we work with others and bring new ideas to the table.

While the most in-demand soft skills are all about how we work together, the most in-demand hard skills are the ones changing what we’re working on. Many of these skills will continue to evolve rapidly. Trending data reveals cloud computing, analytical reasoning, business analysis, affiliate marketing, and video production.

Soft Skills
- Banish your inner critic to unleash creativity
- Persuading others
- Being an effective team member
- Managing stress for positive change
- Developing your emotional intelligence

Hard Skills
- Learn cloud computing: core concepts
- Strategic thinking
- Business analysis foundations
- Influencer marketing foundations
- Social media video strategy: weekly bites
